

Advertising in *The Submarine Review*

The Submarine Review is the quarterly publication of the Naval Submarine League. It provides a forum for information and discussion on a variety of submarine-related topics. Not only are the ideas of NSL members to be reflected, but also those of anyone who is interested in submarines and submariners. The journal is available to corporate and individual members and hard copies are sent to members of Congress, all U.S. Navy submarine activities, and all U.S. submarines.
